

EMPLOYMENT AGREEMENT

Sample Legal Document for RAG Testing

Effective Date: 1 September 2026

This fictional Employment Agreement is between **Example Technologies Pvt. Ltd.** and **Alex Morgan**.

1. Position and Duties

The Employee will serve as a Software Engineer and perform software development, testing, documentation, system maintenance, and other reasonable duties assigned by the Company.

2. Compensation

The Employee will receive an annual gross salary of INR 900,000, payable monthly according to the Company payroll schedule.

3. Working Hours

The standard schedule is Monday through Friday, 9:00 AM to 6:00 PM, with a one-hour meal break.

4. Termination and Notice Period

Either party may terminate this Agreement by providing **30 days written notice** to the other party. The Company may, where permitted by law, provide salary in lieu of all or part of the notice period. Immediate termination may occur for serious misconduct, fraud, or material breach, subject to applicable law.

5. Confidentiality

The Employee must keep confidential all non-public information relating to the Company, customers, products, software, business plans, and technical systems.

6. Intellectual Property

Work products, software, documentation, and other materials created by the Employee in the course of employment will belong to the Company to the extent permitted by applicable law.

7. Leave

The Employee is entitled to leave according to Company policy and applicable employment laws.

8. Governing Law

This Agreement will be governed by the laws applicable in the jurisdiction where the Employee is employed.
